

AVENGERS: DOOMSDAY

"The Beginning of the End of the Multiverse Saga"

Marvel Studios · Phase 6 · December 18, 2026

WHAT IS THIS FILM?

The 39th Marvel Cinematic Universe Feature Film

- ❑ Directed by Joe & Anthony Russo — back in the MCU after Endgame
- ❑ Doctor Doom (Robert Downey Jr.) replaces Kang as the central villain
- ❑ Follows Thunderbolts* and Fantastic Four — bridges Phase 5 → Phase 6
- ❑ Sets the stage for the grand finale: Avengers: Secret Wars (2027)
- ❑ Largest ensemble cast in MCU history across 3 parallel universes

Doctor Doom 2026

RDJ: IRON MAN → IRON DOOM

- ❑ Returns to MCU — but NOT as Tony Stark
- ❑ Cast as Victor Von Doom — Marvel's iconic armored tyrant
- ❑ Same actor, completely different soul — cold and calculating
- ❑ Doom seeks to reshape reality across the entire multiverse
- ❑ Return revealed at San Diego Comic-Con 2024

*"He saved us once.
Now he threatens everything."*

THE PLOT

When an unprecedented threat fractures the boundaries between parallel universes, Earth's Mightiest Heroes are forced to unite across dimensions. Victor Von Doom — the brilliant megalomaniacal ruler of Latveria — has discovered a way to harness the energy of collapsed timelines, granting him control over reality itself.

As Doom's plan to merge all universes under his iron rule accelerates, the Avengers, the Fantastic Four, and allies from across the multiverse must face a villain who is always ten steps ahead. The fate of every universe — past, present, and future — hangs in the balance, leading to the cataclysmic finale: Secret Wars (2027).

WHY IT MATTERS

Avengers: Doomsday is not merely a sequel — it is a culmination. After 15 years and 38 films, the Marvel Cinematic Universe converges here. Every thread, every sacrifice, every choice leads to this confrontation.

The decision to bring Robert Downey Jr. back as Victor Von Doom is Marvel's boldest creative gamble yet. The Russo Brothers return to deliver what promises to eclipse even Endgame in scope and emotional weight. This is where the Multiverse Saga ends — and everything changes.
